A Note From the Pastor

We are excited to put out a monthly newsletter in an attempt to keep us better connected and updated on all God is doing here in ministry, fellowship and activities. Gabby has worked hard bringing this to fruition. It is in your hand, emailed out and online.

It is hard to believe that you and I have only been together 25 weeks!

October 5th when I came to preach, God gave me a passage from Nehemiah about mending and repairing our house. Although we survived many storms and gales, our foundation was shaken and the house needed some TLC. When I started here as Pastor Dec. 1st 2025, I believed the Lord that by fall of 2026 we would be of one mind, one accord and in unity and purpose for God’s Kingdom. Continue to pray this with me: *Make us one and rebuild us.*

Create in us clean hearts O God and renew right spirits within us for your glory. Amen.

We are excited to launch a summer Ladies Community Bible Study, as well as the John Wesley intermittent fasting model on Wednesdays for breakfast and lunch, culminating with prayer and worship in the Fellowship Hall at 12 pm.

“Unless the Lord builds the house, those that labor work in vain.” It is not by our might or our power, but by being filled with the Spirit afresh and anew. Hallelujah.

Humbly your Shepherd,

Reverend Hannah M. Perry

Prayer Requests

Please keep the following prayer requests in your thoughts and prayers this week. We ask for comfort for those facing illness, strength for caregivers and families, peace for those experiencing stress or uncertainty, and encouragement for anyone feeling lonely or discouraged. Pray for wisdom and guidance for our leaders,

protection for our community, and hope for those navigating difficult seasons. May we continue to show compassion, generosity, and love to one another in both word and action. Thank you for lifting up these needs and celebrating answered prayers alongside us as we grow together in faith, unity, and care for one another each day.

Music Notes

The highest and most proper role of music in the liturgy is to glorify God and sanctify the faithful.

No matter the style or genre such as rock, classical, hip-hop, etc...it is the message and intent of the music that matters most. We are so very blessed to have a group of musicians that are very talented.

As a group, we work hard on our part of the worship service. We also have fun as we learn, we laugh a lot. We also pray together. In our prayer, we always ask for God's guidance and His direction. We pray that our words will touch the hearts of those listening and we also pray that we as a group, minister to each other.
