A Note From the Pastor

Attending the MidSouth Annual Conference was the highlight of my year.

The worship, the word, the fellowship and emphasis on holiness and being challenged to find where God is already working and join in with him, was quite impactful. What God has done in our greater GMC in the four years since its official conception, is astounding.

The hierarchy control didn't exist. The Bishops and Superintendents walked around greeting people, our name tags did not identify the various levels of ministers, and the Godly humility was a plenty!

The ordination service challenged ministers of all levels to reaffirm the heart of a truthful servant with ethical integrity of character. Accountability was a familiar theme throughout. Through tears I renewed my ordination vows along with the new candidates. I vowed to: preach the Word, lead in discipleship, mission and service; and to order the life of the church so that it may be faithful and fruitful.

Thank you for your prayers. God has us.

Reverend Hannah M. Perry

Prayer Requests

As a church family, we are committed to lifting one another up in prayer. If you have a prayer request, concern, or praise to share, please let the church office know. We count it a privilege to pray with you and for you as we seek God's guidance, comfort, healing, and strength together.

Share The Upper Room

Have you finished reading your copy of *The Upper Room*? Consider giving older issues a second life by sharing them with others. With permission, place them in nursing homes, assisted living centers, hospitals, doctor's offices, or waiting rooms. There are several "out of date" issues outside the Fellowship Hall – feel free to take several.

Music Notes

250 years and still going strong. Happy Birthday USA!

There are so many wonderful songs about our country. Do you have a favorite? I have many favorites! I have so many I cannot choose just one. However, if I were on a desert island, all by myself, I can see myself singing God Bless America....only for my ears and God's ears. Not to worry, He's heard me butcher many songs throughout the years. I'm convinced God has a sense of humor.

It's all about gratitude. Life is largely about gratitude. I'm grateful for my Heavenly Father. I'm grateful He has watched over me most all of my life. I'm very grateful for that. I'm pretty sure He would tolerate the joyful noise I try to make.

I'm grateful for:

My God the Father, Son and Holy Spirit (total PKG). my church (the church family). my Family (3 grown children, 6 grandchildren), my COUNTRY!, my friends, the opportunities God has given to me..

Guess I should have just said "everything". Let's all show gratitude for our lives, the good and the not so good. God Bless America !!!!
